Quick Reference Guide: Personal Financial Portal Client Guide

Portfolio

The Portfolio dashboard is where you can view additional details about your portfolio. The dashboard gives you a dynamic overview of your portfolio with performance cards highlighting key information about your portfolio.

To get even more detail, you can click on the title of each card. You can also use the drop-down menu to quickly switch between the different cards.

All this information is completely customizable using the filters to select specific date ranges, portfolios, or accounts.

Use "switch" to toggle back and forth to other accounts

Vault

Securely sharing and managing documents is key to working with your wealth management team. The Vault page is where you can keep track of all your important financial and legal documents.

From here, you can organize your documents into folders, drag-anddrop to upload new documents, and easily move files from one folder to another.

The Vault is also an area where we can share documents through the Shared Folders option.

From the Statements and Reports folders, you can view investmentfocused reports created by your financial team.

Securely store documents/files, share items with your financial team, view generated reports and custodial statements

Boports	Items Uploade	ed in these folders will be available to all collaborators.
